## Worth Noting

During National Coin Week, why not take the time to study and appreciate the history and intricate beauty of paper money?

Whether used to purchase a loaf of bread in Great Britain, a stein of ale in Germany or a hot dog in the United States, all currency is worth noting.

NATIONAL COIN WEEK 1987

"Currency Worth Noting"

February 9, 1986

Dear ANA Member Club:

It is time once again to finalize plans for National Coin Week. This year the celebration is a very special one because it is also the 125th Anniversary of the United States Bureau of Engraving and Printing. In honor of this exciting event the theme for this year's NCW is "Currency Worth Noting." The purpose of National Coin Week, which is always celebrated the third full week of April, is to promote all aspects of numismatics and to introduce the joys of the hobby to the general public. This year NCW is April 19 - 25.

I invite you as an ANA member club to participate in National Coin Week with exhibits, talks and other events promoting numismatics in your community. To help you with your local activities a packet of promotional materials is again available at no cost from ANA. Enclosed is an order form.

As always, if you have any comments or suggestions, for improving National Coin Week, or any other ANA activities, please let me know. I look forward to receiving your NCW packet request. Please help me make this another successful National Coin Week.

Sincerely,

Nancy W. Green, Coordinator  
National Coin Week 1987
